

NEW VOCATIONS RACEHORSE ADOPTION PROGRAM

Update Report Form

It's time to send your mandatory update for your adopted horse. I hope it has been a wonderful journey so far. Please visit our site at www.newvocations.org or use the allotted space below to let us and the horse's donor know what you have been up to. You may also email me directly at updates@horseadoption.com. Keep in mind that every adopter is under contractual obligation to send updates and pictures during the year-long length of the contract at 3 months, 6 months and 12 months.

Please remember that each update should include at least 1 color full body photo of your nicely groomed adopted horse without blankets or tack in a well-lit and eye appealing setting as these are sent to donors. Any other fun/riding/competition photos that you would like to include are welcomed and is how we get our Success Stories! If you have any questions, please feel free to contact me at the information listed below.

Sincerely,

_____Month Update
